Office of the President

25 March 2010

MEMORANDUM NO. 125
Series of 2010

T O: Dr. Roberto C. Guarte *-a 2/3/10*
VP for Administration and Finance and
Chairperson, VSU Housing Committee

R E: Mr. Arvin Pura's Illegal Occupancy at Warner's Apartment

It has come to the attention of the office that Mr. Arvin Pura, a staff of the Accounting Office, is presently residing in one of the units of Warner's Apartment. This Office has not received any report and/or recommendation from the VSU Housing Committee as to the housing application of Mr. Pura, if there is any.

Based on VSU Housing guidelines, Mr. Pura is not eligible to be awarded a housing unit. Thus, this office believes that his occupancy in the said apartment is illegal. His stay has created a sense of favoritism as well as unfairness to other VSU staff and faculty who filed their applications and are more qualified for a VSU housing unit.

Please provide this office information who and how come he was allowed to stay in the said housing unit. I also hope that this issue will be ironed out the soonest time possible.
