MEMORANDUM NO. 10
Series of 1992

T O: All Concerned

R E: Meat Inspection

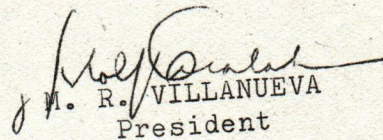

To ensure the safety of consumers in ViSCA and those of the neighboring barangays, all meat coming from and outside ViSCA should be subject to inspection by the authorized veterinarians of the Department of Animal Science and Veterinary Medicine (DASVM), before being offered for sale in the ViSCA market or within ViSCA.

DASVM shall designate meat inspectors in the ViSCA market during "tabo" and shall likewise schedule inspection dates and location site during regular days.

Everyone engaged in the selling of meat in ViSCA is enjoined to comply with the meat inspection requirement prior to the butchering/disposal of hog/cattle, etc.

This memorandum takes effect immediately.

For information and compliance.
