

4 August 2017

MEMORANDUM NO. 316

Series of 2017

T O: College Deans and Department Heads

R E: Use of Cumulus Online Portal

Beginning this school year, all academic departments should use the Cumulus online portal (<http://cumulus.vsu.edu.ph/>) to facilitate a centralized process of updating class schedules, student grades and other processes related to student registration.

Staff-in-charge of each department should take charge in creating the credentials for the online portal for each faculty member as well as in assigning courses to the faculty member.

Please refer all concerns related to the Online Portal to Mr. Norman Villas of the University Computer Center.

For your information and compliance.

EDGARDO E. TULIN
President
