R E: Panel of Reviewers for the 2014 Annual Review of IGP & STF Projects

With Dr. Edgardo E. Tulin as Chairperson and the rest as Members, you are requested to act as Panel of Reviewers during the **2014 Annual Review of IGP & STF Projects on April 28-29, 2014** at the **2nd Floor of the Center for Continuing Education**.

As reviewers, please evaluate the feasibility of all university projects for the purpose of identifying projects that qualifies to be considered for development and expansion as targeted by CHED per its No. 4 of Objective B of the PHER Framework which states: "Rationalizing resource utilization and maximizing resource generation by SUCs." Likewise, please focus your evaluation to identify projects which may be consolidated for improved efficiency and to maximize income generation for the university. Finally, please indicate your recommendation for projects which no longer qualify as IGP under the PHER Framework but only to be considered as instruction/research by-product projects.

Please be guided accordingly.

JOSE L. BACUSMO
President
