MEMORANDUM CIRCULAR NO. 24
Series of 2006

T O: All LSU Constituents and Others Concerned

R E: Reiterating LSU Policy on Tethering of Animals and Stray Dogs

It has been noted that in spite of the various policies issued, problems regarding tethering of animals and stray dogs still exist.

In view of this, I would like to reiterate the following policies:

1. Memorandum Circular No. 53, Series of 2003 prohibiting tethering/pasturing of animals at the IHK oval field and adjoining areas bounded to the South by the PCC Compound, to the North by the road from Ilang-ilang Dormitory to the service road of Sampaguita Dorm up to the ATEP Compound and the East by the Nature Park. This prohibition also includes the highway and street within the campus.
2. Catching and Disposing of Astray Dogs per Memorandum Circular No. 75, Series of 2000; Memorandum No. 12, Series of 2002; Memorandum No. 25, Series of 2003; Memorandum Circular No. 02, Series of 2004 and lastly, Memorandum Circular No. 14, Series of 2005.

The Security Force is hereby directed to implement above mentioned policies.

Please be guided accordingly.
