**MEMORANDUM CIRCULAR NO. 40**  
Series of 2021

**T O: All Concerned**  
**R E: Housing Survey of 2021**

Pursuant to Republic Act 11396 otherwise known as the "SUCs Land Use Development and Infrastructure Plan (LUDIP) Act", VSU is now in step towards the creation of the first draft. There is one significant aspect of LUDIP Act, unlike other SUC Land Use Plan, and that is Housing for employees and Student Dormitories are required as a facility to identify. Thus, VSU has now to incorporate the growth of the faculty and staff that could be accommodated temporarily (to terminate at retirement) inside the boundaries of VSU land. This is also to be complemented with the construction of student dormitories. A growth in human population has to be factored in with the distribution of water and power resources, and the management of waste.

Prior to the creation of the first draft of LUDIP we need to know the number of current population of faculty and staff in campus, and also the number of them residing outside the campus.

We are distributing a census form to be filled in per housing unit-door, we will finally collect them by 15 April 2021. We suggest that for everybody's safety, each household should drop them at the VSU GuardPost 1, in a box intended for this census.

Should there be queries, please direct them to Ms. Jansel Joi Villas at [janseljoi.villas@vsu.edu.ph](mailto:janseljoi.villas@vsu.edu.ph) or call 565-0600 local 1004.
