R E: Dog control within VSU during the 99th VSU Anniversary

In keeping with the safety and security of all our stakeholders and visitors during the 99th VSU Anniversary celebration, all VSU residents are directed to keep their dogs from roaming around the campus. Respective offices of the university have been tasked to implement control measures as we aim to promote responsible pet ownership within our community while avoiding unnecessary dog bites and related accidents.

Moreover, existing OP Memorandum Circulars related to this are being reiterated including: OP MC No. 24, s. 2006, No. 14, s. 2005, No. 02, S. 2004, No. 75, s. 2000, among others.

For strict compliance.
