MEMORANDUM NO. 105
Series of 1986

T O: Prof. Feliciano C. Manuel

This is with reference to your letter dated May 12, 1986 requesting an opportunity to respond to the allegations brought against you by the Personnel Board of the Dept. of Agricultural Botany and Plant Breeding. I would like to inform that investigations conducted by an ad hoc committee and by the Academic Personnel Board show that since the allegations were not substantiated with proofs, you do not have had records that need to be erased or modified that will debar you from future employment in VISCA as already pronounced earlier by the Board of Trustees. I hereby declare the allegations of the DPBAB personnel committee null and void.
