MEMORANDUM NO. 93  
Series of 1991

T O: ALL CONCERNED

R E: 1991 VISCA ANNIVERSARY

The usual two-day VISCA Anniversary culminating on July 31 each year shall be celebrated again with emphasis on the significant achievements in and future plans for research, extension, and instruction. However, with the imposition of AO 205 and the calamities wrecking havoc on our economy, this year's celebration shall encourage the festive and meaningful aspects at very reasonable or no cost at all in keeping with the national cost-cutting policy.

Since attendance of students and personnel in these official school activities is a must, all department/center/office/unit heads are requested to give this information wide dissemination. Because it has been noted that some students and personnel have not been attending the annual VISCA Anniversary Celebrations, please provide functional monitoring scheme to encourage maximum participation.

For your guidance and strict compliance.
