MEMORANDUM CIRCULAR NO. 45 Series of 2000

T O: All Concerned

R E: College Policy on Ambulant Vending

It has been observed that ambulant vendors are freely roaming around the campus selling the same products as our ViSCA Market Stallholders putting the latter at a disadvantage. Moreover, this office has received numerous complaints regarding the unrestricted vending of all kinds of products and/or soliciting financial donations by outsiders without the needed permits from the Administration or the Security Force.

In this connection, the ViSCA Security Force are hereby directed to check the permits of ambulant vendors who are supposed to have an "Ambulant Vendors Permit" from the LUAPO per Board of Trustees Resolution No. 25, series of 1998, for them to legally operate inside the ViSCA campus. Likewise, they are also directed to check permits from the OVPA of those soliciting financial donations.

The ViSCA Security Force are hereby directed to see to it that this memorandum is strictly followed.

This memorandum takes effect immediately.
