RE: Outreach Presentation on Fulbright Programs

We are pleased to inform you that staff from the Philippine-American Educational Foundation (PAEF) will conduct an **Outreach Seminar on Fulbright Programs** on February 28, 2012 (3:00pm) at the Center for Continuing Education (2nd Flr.).

In this connection, you are invited to attend the said seminar to gain insights of the Fulbright programs available such as:

- 2013-2014 Fulbright grant for degree (Master's or PhD) or Non-degree studies in the United States
- 2013-2014 Fulbright-Philippine Agriculture Scholarship Program (FPASP) for Advanced Research in Agriculture in the United States
- International Leaders In Education Program (ILEP)
- Foreign Language Teaching Assistants (FLTA)

This would be a great opportunity for those who are planning to pursue advance studies, conduct research and work in the United States.

Thank you.
