MEMORANDUM NO. 41

Series of 2000

T O: **Prof. Climaco D. Espina, Jr.**  
**Mr. Joel M. Ancheta**

R E: **Ambulant Vendors at ViSCA Campus**

It has been observed that ambulant vendors are still rampant even in offices during office hours. For security reasons and in order not to disturb ViSCA staff in the performance of their daily functions, ambulant vendors are strictly prohibited in offices especially at the Administration building.

The LUAPU and Security Force are directed to implement this policy. However, should ambulant vendors be allowed in residential areas application for permit should be coursed through the Security Office for recommendation before it is submitted to LUAPU.

Collection of permits shall remain under the jurisdiction of LUAPU.

Please be guided accordingly.
