R E: Participation to the European Higher Education Fair 2021

The Delegation of the European to the Philippines will be hosting the virtual European Higher Education Fair (EHEF) 2021 this coming **1-2 October 2021 at 2-8 PM** with the theme "Go Higher with EU". The online fair will include structured webinars on research programs, partnership and mobility opportunities and webinars are also based on discipline or course offerings.

In line with this, I am requesting everyone to join EHEF 2021 considering the vast opportunities that awaits in European Higher Education and that Visayas State University is one of the partner universities to this year's EHEF.

Please visit this website to register: <https://www.ehefphilippines.com>. You can also check the attached flyers for more information about the fair.

For your guidance and participation.
