

10 February 2020

MEMORANDUM CIRCULAR NO. 19
Series of 2020

T O: Vice President for Research and Extension, Director for Research and All Academic Departments and Research Centers

R E: Clarification on 2020 Targets on Publication

During the January 29-30, 2020 calibration of OPCR targets, it was clearly emphasized by the evaluators that targets on publication should consider the DBM and CHED formula under PREXC indicators and the formula: total number of researches published in FY 2020 over total number of unpublished researches from SY 2018 until 2020.

Please be informed that the university targets as indicated in the General Appropriations Act in Research Services is 35% which means that the university needs to produce a number of publications equivalent to 35% of all unpublished completed research in year 2018, 2019 and to be completed researches in 2020.

In view of this, the Vice President for Research and Extension, Director for Research and College Deans, Academic Departments and Research Centers are hereby directed to ensure that the targeted output of the various academic departments and research centers should not be lower than 35% of the reported completed researches for years 2018 and 2019 to CHED plus the expected completed researches in 2020. The record of reported researches in 2018 and 2019 should be checked at OVPRE for your guidance.

For strict compliance.

EDGARDO E. TULIN
President
