Dear Friends:

Our nation is plagued with so many economic, political and social problems that bring untold suffering to our people and stands in the way of our national progress and development.

The root of all these problems is not the lack of resources as we are a country rich in natural and human resources. What we need are reforms - socio-political-economic reforms that will put an end to these problems, especially poverty and corruption.

To create an environment conducive to reforms, we must promote values among the citizenry. Every citizen's adherence to values in all their actions will bring about moral transformation which, in turn, will lead to national development.

The First Visayan Congress on Good Citizenship will be part of a seamless nationwide effort since 2004 to promote adherence to our core Filipino values as the way for Filipinos to be good citizens and contribute to nation-building.

In this Congress, let us learn from the best practices in promoting the good citizenship values. Let us work together to bring about moral transformation in the Visayas and contribute our share in our nation's progress and development.

In this connection, we would like to invite you to attend to this Congress to be held on September 24 – 25, 2009, 8:00 AM – 5:00 PM at the Golden Peak Hotel, Gorordo Avenue, Cebu City. Registration is **Php 600.00** only which includes the Congress Kit, meals, snacks, certificates etc. Attached are the program and CHED/DepEd endorsements.
