MEMORANDUM NO. 170

Series of 2013

T O: Ms. Pamela P. Oraño

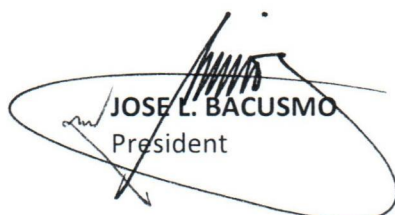

R E: Detail at the University Accreditation to work on VSU's self rating for the SUC leveling under the Public Higher Education Reform Roadmap

SUC leveling is one of the urgent initiatives of the Commission on Higher Education under its Public Higher Education Reform Roadmap for improved efficiency, upgraded quality and expanded access to public higher education in the country.

There is therefore a need for the university to prepare for this SUC leveling through the conduct of its own self-assessment using the instrument issued by CHED. As a BS Statistics graduate, you exactly possess the needed expertise of the person who should handle preparation for the SUC leveling.

You are therefore assigned at the UAC effective immediately for this purpose.

Please be guided accordingly.
