RE: Invitation: Stakeholders' Consultation regarding the University's Strategic Plan Execution Continuum for FY 2025-2028 and LUDIP for 2025-2034

FROM: 
DR. PROSE IVY G. YEPES
University President

DATE: September 27, 2024

We are pleased to announce that Visayas State University is currently finalizing the outputs of the Strategic Planning and Execution Continuum for 2025-2028, while also refining the Land Use Development and Infrastructure Plan (LUDIP) for 2025-2034. Following the successful submission of the updated LUDIP on August 30, 2024, which incorporated valuable feedback from the CHED-LUDIP Technical Working Group during its second technical evaluation on June 7, 2024, we aim to ensure comprehensive stakeholder participation in the development of both plans.

To facilitate meaningful participation and ensure a comprehensive approach, we will be conducting a stakeholder consultation meeting via **Zoom on October 8, 2024, from 1:30 PM to 5:00 PM**. This meeting will provide an opportunity for all stakeholders—including faculty and staff, students, alumni, and development partners—to discuss the strategic direction of the university and contribute your insights and perspectives.

You can join the meeting using the following link:
Meeting ID: 581 899 9700

We look forward to your participation and contributions as we work together to enhance the university's Strategic Plan and Land Use Development and Infrastructure Plan.
