**R E: Retooling/Capacity Building Seminar Workshop for C/DBGFs Dormitory
Advisers and Assistant Advisers and Campus Ministers**

With the pressing concerns of our students especially in coping with the different demands of college life, your appointment as Dormitory Advisers and/or Assistant Advisers is one of the best ways of our University in assisting and helping them attain holistic development. In order to empower you in this role, the University Student Services Office (USSO) will conduct the **"Retooling/Capacity Building Seminar Workshop on Effective Facilitating Skills and Proactive Intervention Techniques in Responding Student-at-Risk Situations."** This will be held at the RDE Breakup Room on November 26 and 27, 2018.

In this connection, we have invited a young topnotch practitioner and author in the field of Guidance and Counseling from the Central Luzon State University as our Resource Person to assure the fulfillment of our goal to capacitate you in this area. Attached is the program flow for your guidance.

Attendance to this two-day seminar is compulsory. Concerned Deans/Department Heads should institute measures to attendance of concerned faculty during the scheduled seminar-workshop, and this may include arrangement for make-up classes. USSO is directed to submit a report of those who fail to attend this seminar workshop for appropriate action by this office.

For compliance.

President
