R E: AACCUP Accreditation of VSU Curricular Programs

As mentioned by Dr. Manuel T. Corpus, the Executive Director of AACCUP during his seminar on Institutional Accreditation last December 15, 2008, one of the requirements for VSU to qualify for Institutional Accreditation is to have its degree programs to be at least **Level 1 accredited**. However, based on records only the **BSA, BAS, BSDE** and **BSEEd** are re-accredited by AACCUP to Level 3 and the rest failed in the **preliminary survey** due to lack of appropriate documents. Anent to this, you are requested to prepare all documents needed for accreditation of the degree/program(s) offered in your respective departments. The degree program(s) should undergo a preliminary visit survey by AACCUP Accreditors before full level 1 accreditation will be simultaneously conducted during the institutional accreditation sometime in June 2009.

For inquiry regarding the specific requirements to undergo program accreditations, please contact the University Accreditation Center at 563-7429/335-2637.

Please be guided accordingly.

JOSE L. BACUSMO
President
