R E: SEARCH COMMITTEE FOR VP FOR ACADEMIC AFFAIRS

There has been a delay in the work of the Search Committee to identify candidates for Vice President for Academic Affairs due to some issues raised by the VP for Administration, who is supposed to serve as your Chairman. The matter was brought to the attention of the Board of Trustees for advice.

As per decision of the Board and clarification of its Chairman in the attached copy of his letter, the request of the VP for Administration not to participate in the work of the Committee is accepted, but the Committee shall proceed with the assignment by selecting among the remaining four (4) members the Chairman for this particular assignment only.

In this connection, Dr. F. R. Flores is hereby directed to convene the Committee members to identify from among them who shall serve as Chairman. The Chairman shall then take over until the Committee assignment is completed. Please submit your recommendations on or before June 10, 1987.

M. R. VILLANUEVA
