MEMORANDUM NO. 92

Series of 2020

T O: Concerned Faculty and Staff

R E: Facilitators of the Training and Capacity Building under the Eastern Visayas Higher Education Institution – Flexible Learning Management System Consortium (EVHEIs-FLMSC)

After the series of consultations with EVHEIs-FLMSC Technical Working Group, the Training and Capacity Building (TCB) Team has arrived with the final project proposal aimed to (1) orient the academic leaders on flexible learning systems and become efficient and effective in the implementation and management of flexible learning; (2) prepare the faculty members to become capable, confident and responsible to flexible learning so that SUCs in the region continue amidst emergencies and; (3) ensure that the students are well-adapted to the flexible learning environment.

In order to successfully implement the said program, several trainings/webinars will be conducted for SUCs in the region. Hence, you are hereby designated as facilitators representing VSU who are tasked to oversee the different activities/webinars to be conducted by the Training and Capacity Building Committee of the Eastern Visayas Higher Education Institution – Flexible Learning Management System Consortium (EVHEIs-FLMSC), effective immediately:
