R E: First Garbage Recycling and Compost Fair

In line with the University-wide campaign to reduce and properly manage our wastes, the LSU-Solid Waste Management Committee (SWMC) and the Visca Environmental Awareness Movement (VEAM) together with some student organizations will hold the First Garbage Recycling and Compost Fair on September 30, 2004. Several activities have been lined up for the day which will start with a symposium in the morning followed by the Fair in the afternoon and ending with a tour to the dumpsite.

To give all our faculty, staff and students the chance to participate in the said activity, classes on September 30, 2004 are suspended. As such, all faculty are requested to make the necessary arrangement for the classes affected.

Please be guided accordingly.
