R E: Irrigation System Management Committee

You are hereby designated to compose the Irrigation System Management Committee to manage the equitable distribution of water effective immediately until December 31, 2021 or unless sooner revoked or terminated by higher authorities.

Specifically, the committee is tasked to:

1. Develop a policy and management strategies in the distribution of water to users.
2. Oversee the care and maintenance of irrigation canals from the source to the final outlet.
3. Spearhead in developing proposal for the improvement of the VSU Irrigation System.

Please be guided accordingly.

EDGARDO E. TULIN
President
