R E: Designation as Members of the LRLGU VSU Team

In connection with implementation of the Leadership for Resilient Local Government Units (LRLGU) Program of the National Resilience Council (NRC) in which, through a Tripartite Memorandum of Understanding, has involved VSU as the Academic Partner (AP) of the Ormoc City LGU, you are hereby designated as Members of the LRLGU VSU Team retroactive January 2021 until revoked or terminated.

As AP, VSU is responsible for training, coaching, and mentoring of the Ormoc City Resilience Council pertaining to the Leadership and Governance and Science and Technology tracks of the LRLGU Program. Specific duties and responsibilities of the Team are as follows:

1. Deepen the project team's leadership and technical competencies in risk and resiliency.
2. Provide capacity building interventions for a resilient Ormoc City LGU in partnership with the National Resilience Council (NRC).
3. Assist in equipping the partner LGU with skills and tools in building resilience following the Prepare-Adapt-Transform framework.
4. Facilitate critical analysis of integrated climate and disaster risk assessment, data management, and DRR plans, systems, and structures as part of evidence – based risk governance.
5. Conduct coaching and mentoring of the partner LGU's resilience team.

Please be guided accordingly.
