Dear Sir:

We are honored to invite you to be a participant in a two-day Book Development Seminar for Region VIII-Eastern Visayas.

The seminar will be conducted by the National Book Development Board (NBDB), in cooperation with the Publisher's Association of the Philippines Inc. (PAPI) and the Countryside Press Forum, on April 24 and 25, 1998 at the Leyte Park Hotel in Tacloban City.

It will be attended by some 150 educators, publishers, authors and members of the tri-media coming from all provinces of Eastern Visayas. Senior government officials and prominent personalities from the private sector have been invited as speakers and resource persons.

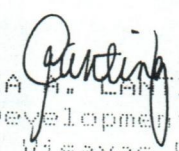

The affair aims to highlight the importance of books as an economic product and as an indispensable tool of education, science, culture and information. Issues relevant to book publishing will also be tackled, in pursuance to the NBDB's mandate of developing book publishing capabilities in the regions.

To be discussed in the two-day seminar are: "NBDB and its Programs"; "NBDB Incentives"; "The Role of Publishing in the Development of the Regions"; "Book Writing"; "Book Production"; and other relevant topics. Also, book societies for Eastern Visayas will be formally organized.

We look forward to your valuable presence and involvement in this significant event.

Thank you and more power.

Very truly yours,
