MEMORANDUM NO. 65
Series of 1988

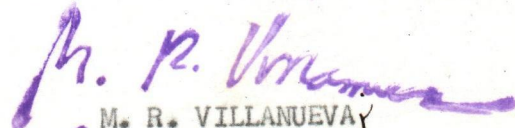

T O: Mr. Wilfredo Valenzona

R E: Release of Proceedings about Mr. Maximo Villalino

I received a letter from some faculty members referring to a case in the past involving Mr. Maximo Villalino. These faculty members had attached to their letter copies of sensitive documents that are assumed to be kept only by selected offices. The Records Officer has claimed no knowledge about the release.

In this connection, please inform if your Office was responsible in releasing the document and why the records were released without clearance from higher authorities. Furthermore, please comment if Mr. Villalino had any pending case with VISCA and if so, why was he given a clearance/certificate that he had no pending case with the College.

Thank you.

M. R. VILLANUEVA
President
