MEMORANDUM NO. 38  
Series of 1992

T O: All Concerned

R E: ViSCA Fish Sanctuary

The sea fronting ViSCA bounded by Calbiga-a Creek and Lago-Lago rivers and four (4) kilometers deep into the Camotes Sea is hereby declared a ViSCA Fish Sanctuary effective immediately. As a sanctuary, no form of fishing shall be allowed in the area in order to provide harborage and breeding place for fish and other forms of marine life.

The members of the Tropical Ecology Program, in cooperation with the Bantay Dagat of Brgy. Guadalupe, the ViSCA environmental movement and the Security Guards of ViSCA shall implement the provision of this memorandum.

For compliance.
