STATE UNIVERSITY

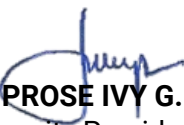

OFFICE OF THE
PRESIDENT

Memorandum Circular No. 233
Series of 2024

TO: **All VSU Faculty, Staff, and Students**

RE: **Extended Suspension of Work and Classes and Postponement of the Intramural Games 2024 Due to Tropical Depression**

FROM: 
DR. PROSE IVY G. YEPES
University President

DATE: **October 22, 2024**

In view of the ongoing Tropical Depression "Kristine," and upon the recommendation of the VSU Incident Command System (ICS) and Crisis Management Committee (CMC), **work and classes this afternoon, October 22, 2024, remain suspended for the entire VSU system** except for employees whose nature of work involves providing essential services such as medical and emergency response, security, feeding of animals, and electrical services.

Please wait for another memo later tonight regarding the possible lifting of the suspension of work and classes tomorrow, October 23, 2024, depending on weather conditions.

Furthermore, due to the current weather situation, the VSU-ICS and VSU-CMC also recommend **postponing the 2024 VSU Intramural Games to October 28-30, 2024**. Accordingly, this memo officially suspends OP Memorandum Circular No. 229, which initially suspended classes for the Intramural Games.

Everyone is advised to stay safe and take extra precautionary measures. Continue to monitor weather updates and advisories through VSU Facebook Page/website and/or from local authorities.

For your information and guidance.
