R E: Survey for VSU Students on Flexible Learning for 1st Semester SY 2020-2021

We are redesigning our classroom engagement for the "new normal" in light of the COVID-19 pandemic. To help us make data-driven decisions, we have rolled out the **Survey for VSU Students on Flexible Learning for 1st Semester SY 2020-2021** online. The link is: bit.ly/VSU-FLSurvey. All academic heads are directed to assist in the dissemination of the said survey to all students under your unit. The survey takes about 5 minutes to complete.

Since not all of our students have internet connection to accomplish the survey, unit heads should assign a faculty/staff to contact the students under your unit using other means, such as text or call (call is recommended). They will conduct the survey using the attached print version of the survey by asking the questions over the phone and then submitting their responses afterwards to the online form.

Aim to get as many responses as possible on or before Friday, 5 June 2020.

Thank you for your cooperation.
