Dr. Jose L. Bacusmo
President
Visayas State University (VSU)
VISCA, Baybay, Leyte

Dear Dr. Bacusmo,

Please be informed that the National Research Council of the Philippines (NRCP) would like to hold the 8th **General Membership Assembly of the NRCP-Visayas Regional Cluster** with the theme *Strengthening the Philippines for ASEAN Competitiveness* in VISCA, Baybay, Leyte on 17-18 May 2011. The activity aims to: 1) assess the current needs (manpower, facilities and equipment) for basic research in the Visayas using Region 8 as focal point; 2) analyze the status of higher educational institutions for basic research and how they can move forward using the VSU experience in R&D; 3) review and evaluate the progress and limitations for basic research in the social, environmental, biological and physical and related sciences; and 4) come up with policy recommendations to the Philippine Government through the NRCP Governing Board to strengthen the Visayas Cluster in basic research.

In this connection, we would like to request the Visayas State University (VSU) to co-sponsor the above-cited activity by allowing us the free use of the Conference Room (including all the equipment needed in the presentation) on the said dates.

The NRCP will shoulder the travel, food and accommodation of the NRCP Visayas Regional Cluster officers and NRCP group coming from Manila, including the snacks and lunch of the participants.

May we request the assistance of Dr. Manuel L. Palomar, Chair, NRCP Visayas Regional Cluster for the said activity who will be in constant contact with our staff, Ms. Ruby Villavicencio.

Thank you very much in anticipation of your favorable reply on this request.

Very truly yours,

RUBY VILLAVICENCIO
Office of the Executive Director

The expenses for
conducting participants
& NRCP group should
be borne by NRCP
as the fuel cost has
increased significantly
