R E: World Teachers' Day 2022

Every 5th of October, the world celebrates International Teachers' Day, also known as "**World Teachers' Day!**". It aims to appreciate and pay tribute to all hardworking and dedicated educators of the world with the theme "*The Transformation of Education Begins with Teachers.*"

In this connection, the university will also celebrate and dedicate this momentous event to all faculty in the system on **October 5, 2022 (Wednesday) at 1:00 P.M., RDE Hall** via hybrid modality (*FTF and Livestream VSU Workplace*). The World Teachers' Day celebration will showcase the talents of faculty, give recognition and tribute to faculty who finished their graduate studies, submitted final grades on time, and had Outstanding teaching performance.

In addition, all faculty members in the Main Campus are encouraged to go to the RDE Hall. Games, raffles, door prizes await for early birds.

Since gathering all faculty members from VITA colleges is impossible, you are encouraged to celebrate it on your respective campus.

Attached is the program of activities for your reference.

Let us together enjoy this event.
