Office of the President

17 May 2011

MEMORANDUM CIRCULAR NO. 30
Series of 2011

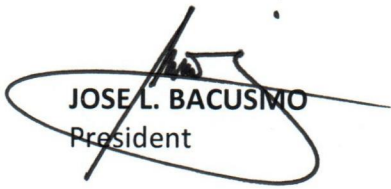

T O: Duck Raisers Outside VSU

R E: Prohibition of Pasturing Ducks at VSU Rice Fields

The VSU Rice SeedNet project has initiated the integration of ducks in rice production. This will primarily be used to control "Kohol" infestation and improve the productivity of VSU's rice production areas.

Effective immediately, outsiders are no longer allowed to pasture their ducks inside the VSU campus. The existing policy on stray animals will be imposed to violators.

For information and guidance of all concerned.

JOSE L. BACUSMO
President
