Memorandum No. 149
Series of 1995

December 21, 1995

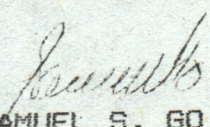

T O : All Academic Staff

SUBJECT : Abolition of Written Laboratory Midterm/Final
Examination Schedules

During the ViSCA Board of Trustees Meeting held on December 14, 1995 at the Central Luzon State University, the Board approved the recommendation of the Academic Council to abolish the schedules for written midterm/final examinations for laboratory classes. Henceforth, separate written midterm/final examinations for laboratory classes shall no longer be practiced.

Laboratory instructors are encouraged to concentrate on the practical aspects of the courses they are teaching. However, should there be a need for laboratory instructors to test their students' knowledge on the theoretical side of the course, appropriate questions maybe submitted to the lecture instructors/professors for inclusion in the midterm/final examinations.

For the guidance and compliance of all concerned.

SAMUEL S. GO
President
