R E: Medical Examination for Academic Year 2024-2025

At the university, we aim to ensure that all university constituents are always healthy and safe.

As part of the enrollment procedure, the medical examination helps prevent potentially contagious diseases from spreading and ensures all students are fit for university life. This is one of the many ways we look after everyone's welfare.

With these, all undergraduate and graduate students in the main campus are required to report to the University Services for Health, Emergency and Rescue (USHER) for their medical examination on the following schedules:

FRESHMEN (Undergraduate, Graduate Students, Returnees and Transferees)	APRIL 16, 2024 – JUNE 17, 2024
INCOMING SOPHOMORES	FEBRUARY 01, 2024 – MARCH 15, 2024
INCOMING JUNIORS	MARCH 18, 2024 – APRIL 15, 2024
INCOMING SENIORS (4TH YEAR)	JUNE 18, 2024 – JULY 29, 2024
INCOMING SENIORS (5TH, 6TH...) AND VSUIHS	JULY 22, 2024 – AUGUST 02, 2024

The dental examination will continue after the start of classes. Students shall be notified of their schedule for dental examination.

The USHER will accommodate a maximum of 120 students per day.

For everyone's guidance and compliance.
