R E:

Composition of the CPES (Constructors Performance Evaluation System)

Implementing Unit

In reference to Section 13.3 of the IRR of Republic Act 9184 and in Section 8.1 of the Contractors Performance Evaluation System (CPES) Implementing Guidelines it is hereby establish the CPES Implementing Unit (IU) that shall be composed of a Unit Supervisor; a Technical Personnel; and an Administrative Personnel, and which shall be responsible in overseeing the implementation of CPES and perform the function as outlined in section 8.2 of the Guidelines. With Engr. Marcelo T. Abrera, Jr. as the Unit Supervisor, you are hereby directed to constitute the CPES Implementing Unit of the university effective immediately until December 31, 2022 or unless sooner revoked or terminated by higher authorities.

The following are the duties and responsibilities of the CPES Implementing Unit:

- To comply with the provisions of RA 9184 and its IRR which mandate the implementation of CPES in VSU construction projects;
- To oversee the implementation of CPES in VSU construction projects;
- To provide its technical employees the required CPES training and endorse to PDCB the applications of its employees for accreditation as CPES project evaluators;
- To ensure efficient and effective implementation of CPES in VSU construction projects; and
- 5. To submit CPES reports to the PDCB within the specified time.

Please be guided accordingly.

EDGARDO E. TULIN

President
