MEMORANDUM NO. 117
Series of 1990

T O: Mr. Justino M. Quimio

R E: Control of Sale of Prohibited Tree Species for Firewood

You are hereby authorized to take the necessary steps in your capacity as a Forester and Head of the Department of Forestry to regularly check and monitor on the ViSCA campus the extraction and sale of prohibited tree species for firewood and other uses on the ViSCA campus including its reservation. My attention has been called that narra firewood is being sold in the ViSCA market. All violators - sellers and buyers - must be apprehended and reported to proper authorities after giving sufficient warning. Their names should be published in bulletin boards and in the ViSCA Newsletter.
