MEMORANDUM CIRCULAR NO. 14

Series of 2005

T O: All Campus Constituents

R E: Astray Dogs

Our campaign against astray dogs on campus is already on its 3rd year. However, the said campaign has not been successful due to several factors foremost of which is the non-cooperation of dog owners and the agreement that astray dogs shall be redeemed by dog owners after payment of fines. However, there are dogs caught whose owner cannot be identified, leaving a problem on their upkeep for extended periods.

In view of this, all dog owners are required to put a tag on their dogs indicating the name of the owner. If a dog is caught roaming around the campus, said dog shall be considered astray and shall be caught by the task force assigned for the drive against astray dogs. Those without tags will also be caught but shall be given to barangay people interested to have them.

All dog owners are, therefore, given five (5) days from receipt of this memo to put tags to their dogs. Otherwise, dogs caught without tag shall be immediately disposed.

Please be guided accordingly.
