**R E:** **Committee to draft guidelines on the Return Service of Student-Beneficiaries of Republic Act 10931**

With Dr. Belonias as Chairperson, you are directed to comprise the Committee to draft internal guidelines on the Return Service Program of Student-Beneficiaries of the Republic Act 10931 otherwise known as "Universal Access to Quality Tertiary Law", an Act promoting for free tuition and other school fees in state universities and colleges, local universities and colleges and state-run technical-vocational institutions, establishing the tertiary education subsidy and student loan program, education and appropriating fund thereof. The Commission on Higher Education (CHED) has ordered government-funded colleges and universities to come up with return service programs for the scholars who will benefit from the said law.

The committee is tasked to create internal guidelines and come up with policies in accordance with the above-mentioned law. The committee shall propose possible activities that beneficiaries will render as a responsibility to give back to their community or nation because they are being paid for by taxpayers' money. Said services should only be done while they are in college and make sure these activities/services should not be tedious or get in the way of their academic requirements.

Submit your proposal to this office on or before May 20, 2018.

Please be guided accordingly.
