In addition to a representative from the Commission on Audit, the BAC shall recommend two (2) Observers to sit in its proceedings for infrastructure projects, goods and consulting services. One observer shall come from a duly recognized private sector association or discipline related to the procurement at hand and the other observer shall be from a non-government association.

It is understood that the committee shall strictly observe the provision of RA 9184 in the performance of its functions and that the Chairperson of the BAC cannot at the same time be the approving authority as prescribed to maintain check and balance.

As members, you are entitled to the privileges provided for under RA 9184 subject to pertinent policies.

This memorandum shall take effect immediately.
