R E: *Ad Hoc* Committee to Determine Points for Invention/Patent

The national evaluation body of PASUC-Manila at TUP requires the basis of giving points to an invention/patent of a faculty member since there is a range of points in the instrument. In this connection, you are hereby directed to constitute yourselves into an *Ad Hoc* Committee with Dr. Rodolfo G. Escalada as Chairman, to determine exact points given to inventions and patents. The criteria with corresponding points plus the signatures of the committee are needed as supporting document by PASUC.

Ms. Teresita L. Quiñanola and Dr. Eutiquio E. Sudaria will be going back to TUP on September 25 to continue assisting the encoding of ViSCA's documents for PASUC evaluation, thus you are requested to submit your output to this office on or before September 20, 2000 for submission to PASUC.
