Office of the President

15 April 2011

MEMORANDUM NO. 121

Series of 2011

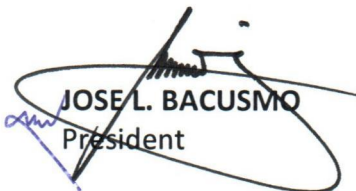

TO: All VSU Constituents

RE: Measles – Rubella vaccination

The Department of Health will implement the MR-SIA (Measles, Rubella Supplemental Immunization Activity), a door to door Measles – Rubella vaccination campaign for all children ages 9 months to 95 months. The LGU of Baybay through its implementing arm, the Rural Health Units, will be scheduling the above-mentioned vaccination activity in VSU and nearby barangays on April 18 – May 5, 2011.

In this connection, you are enjoined to cooperate in the preparation of your children for the said vaccination activity at your residences.

Please be guided accordingly.

JOSE L. BACUSMO
President
