**R E: VSU WEBSITE MIGRATION FROM JOOMLA! TO WORDPRESS**

You are hereby directed to constitute yourselves into a committee to migrate the contents of the VSU Website from the existing Joomla! Content Management System (CMS) to a new Wordpress CMS. You will provide technical assistance, manage content, and ensure aesthetics and functionality. The current CMS has compatibility issues with new versions, and it has already been in place for two years. With the improvements of CMS technology, it is important that we keep up to make our online resource up-to-date and relevant. VSU will purchase the Wordpress University Theme by Themolitor.

Prof. Alan Loreto, as VSU's web administrator, will head this committee and coordinate accordingly. There will be a workshop on October 22-26, 2012 to revamp the website. The newly designed website should be in place by October 26.

Thank you for your usual cooperation.

  
**JOSE L. BACUSMO**  
President
