MEMORANDUM NO. 103
Series of 1988

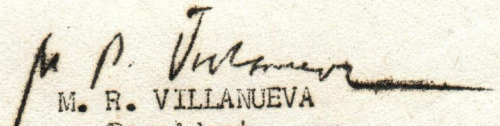

T O: All VISCA Faculty, Staff and Employees

R E: Accommodation of Visitors During the VISCA Anniversary Celebration

In view of the large number of guests, visitors and alumni coming to attend the VISCA Anniversary Celebration, I would like to request all VISCA staff, faculty and employees to voluntarily accommodate in their respective homes some VISCA alumni, classmates, acquaintances and friends.

This is one way of helping the management solve accommodation problems during this important occasion in the College.

Thank you very much for your support and cooperation.
