(Invitees: Barangay Captains)

RE: Dialogue and Presentation of the 2020 – 2022 PIP/TRIP Budget Proposals of VSU

Please join us for a dialogue and presentation on VSU's proposed PIP/TRIP for the 2020 to 2022 Budget Proposal. The Visayas State University listed and enrolled the Budget Proposal for PIP/TRIP in NEDA's website, where PIP stands for Public Investment Program and TRIP is a Three Year Rolling for Infrastructure Program. The proposal is set to be evaluated by CHED Central Office by next week and will be validated by NEDA after 26 October 2018.

We will have our meeting at the Office of the Vice President for Administration and Finance at 9:00 am on Friday, 19 October 2018. Should you be unavailable, please send a representative.

Your presence is highly appreciated.

Thank you.

EDGARDO E. TULIN
President

VSU's Vision:

A globally competitive university for science, technology, and environmental conservation.

VSU's Mission:

Development of a highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.
