MEMORANDUM CIRCULAR NO. 22

Series of 2010

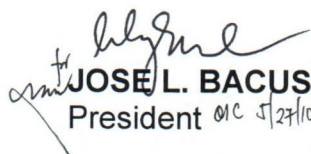

T O: All VSU Residents

R E: 2010 Census of Population and Housing (2010 CPH)

This office received a communication from Ms. Wilma A. Perante, Provincial Statistics Officer regarding the conduct of the 2010 Census of Population and Housing (2010 CPH) by the National Statistics Office. The census is designed to take an inventory of the total population and housing of the Philippines and gather vital information for the formulation of policies and programs for development at the national and local level. Specifically, 2010 CPH will provide information as bases for Internal Revenue Allotment (IRA), creation and classification of local government units (LGUs), conversion of some existing LGUs to higher level pursuant to the 1991 Local Government Code, among others.

In view of this, all VSU residents are requested to extend their cooperation to the census personnel for this nationwide undertaking.

For information and guidance.
