MEMORANDUM NO. 55
Series of 1995

T O: Engr. Sean O. Villagonzalo
Mr. Dominador G. Poliquit

NP 4/27/95
Rigoberto 4/2/95

SUBJECT: Network Diagram as Required by NTC, Manila

In response to VISCA's request for authority to purchase 3 units of SSB radio, NTC required VISCA to submit:

"Network diagram prepared, signed and sealed by a Registered Electronics and Communications Engineer, showing the service area/exact locations of stations/distances between land station/flow of traffic/mode of operation/ proposed number of channels/emission and frequency range."

Hence you are requested to prepare the above-mentioned required document and fill-up the attached form.

For compliance.
