MEMORANDUM CIRCULAR NO. 7

Series of 2011

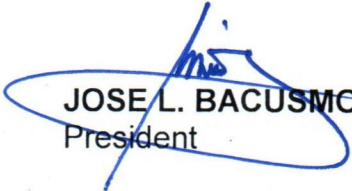

To: All VSU Campus Residents

Re: Conduct of survey on Family Profile using the Barangay Management Information System of BIDANI

The Office of the City Administrator of Baybay through the Honorable Barangay Captain of Brgy. Pangasugan, Mr. Dexter Magan, requested for a conduct of a survey on family profile to VSU campus residents using the BIDANI's Barangay Management Information System format. This survey data is important to assess the needs and problems of the barangay. It also helps local development planners in preparing development plans, monitoring delivery of services and project evaluation.

The survey will be conducted by enumerators from LGU-Baybay through the Office of the City Administrator. They will come to your cottage/apartment/residence to personally gather the data within this week and/or next week.

You are all enjoined to cooperate on this survey.

JOSE L. BACUSMO
President
