MEMORANDUM NO. 109
Series of 1991

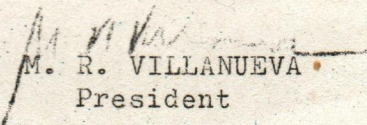

T O: All Concerned

R E: Tenure for Academic Personnel

This is a reminder to all concerned that with BOT's approval of the most recent Merit System for academic personnel, the time frame by which you are supposed to earn tenure has been adjusted accordingly. All those concerned have been given five (5) years from 1988, specifically from the date of Board approval, to earn tenure.

At this juncture, department/center heads are reminded to initiate action for change of status of all qualified staff in their units for evaluation of the Academic Personnel Board.

For information and guidance.

M. R. VILLANUEVA
President
