Please be informed that the Fast Food Center is scheduled for repair this summer. This is part of the plan of the VSU Administration to improve the quality of service to its clientele especially the students by having a more presentable fast food center.

You are therefore informed that your contracts will no longer be renewed after it expires this coming March 2009.

Rest assured however, that you can still apply to lease the renovated facility if qualified and subject to the payment of the required rental rate per month.
