- R E:** Attendance in the Roundtable Discussion on Gender and Sexuality  
Realities among VSU Students

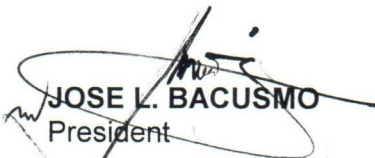

The Anti-Sexual Harassment Office is spearheading a roundtable discussion on the various gender and sexuality issues/problems/concerns confronting our students in the main campus. This roundtable discussion will serve as venue for the various sectors, particularly the students, to share their perspectives on the subject matter and to come up with possible

courses of action. This activity is timely, given the recent incidents on campus alleging prostitution, sexual harassment, and the like involving some of our students. Moreover, the discussions will also serve as input to the seminar-workshop on Capability Building on Gender, Sexuality, & Rights organized by the ISRDS.

In view of this, you are hereby enjoined to attend this roundtable discussion on 27 September 2010, Monday, 2:00 PM at the ISRDS Training Room.

Likewise, professors and instructors of the students concerned are requested to excuse the said students from their classes during this time.

Please be guided accordingly.
